CAMPUS DIRECTOR

DR. SHAILESH V. LUHAR

Dear College Community,

As the Campus Director, I extend a warm regards to each of you. As the Campus Director of this esteemed institution, I am honored to be a part of this remarkable journey that each of you is embarking upon. Today, I want to talk to you about the power of perseverance, the importance of education, and the incredible potential that lies within each and every one of you. Firstly, I want to acknowledge the hard work and dedication that you have all demonstrated to reach this point. The path of education is not always an easy one. It is filled with challenges, long hours of study, and moments of doubt. But remember, it is through these very challenges that you will find your strength. Every obstacle you overcome, every setback you face, is an opportunity for growth and learning.

Education is not just about acquiring knowledge; it is about shaping your character, expanding your horizons, and preparing yourself to make a meaningful impact on the world. The knowledge and skills you gain here are the tools that will empower you to pursue your dreams and achieve your goals. But more importantly, the values of integrity, perseverance, and compassion that you cultivate will guide you throughout your life. Never underestimate the power of your dreams. Each one of you has a unique potential to make a difference in the world. Whether you aspire to be a scientist, an artist, a teacher, or an entrepreneur, your dreams have the power to shape the future. Believe in yourself, work hard, and never lose sight of your aspirations. In conclusion, I want to remind you that you are not alone on this journey. Your professors, your peers, and the entire academic community are here to support you. Together, let's make this year memorable, filled with achievements and personal growth. Wishing you all a fulfilling and rewarding journey ahead!

ADMIN DIRECTOR**MR. HITEN B. UPADHYAY**

Dear College Community,

I wish you good health and high spirits as you receive this message. I stand before you not just as your Admin Director but as someone who believes wholeheartedly in the potential that resides within each one of you. Our journey together is not just about achieving targets or meeting deadlines; it's about growing, learning, and becoming the best versions of ourselves. Each day we face challenges, and it's easy to feel overwhelmed. But remember, challenges are not roadblocks; they are stepping stones. They are opportunities for us to show what we are truly capable of. The key to success is not the absence of difficulties but the ability to rise above them, to keep pushing forward even when the path is steep. I want you to know that your efforts do not go unnoticed. Every piece of work you do contributes to the larger picture. You are the backbone of our organization, and your dedication is what drives us forward. It's your hard work, your commitment, and your passion that make us who we are. Let's remember to support each other, to lend a hand when someone is struggling, and to celebrate our victories, no matter how small. Teamwork is our strength, and together, there is nothing we cannot achieve. Take pride in your work, but also take care of yourselves. Balance is crucial. A healthy, happy team is a productive team. I believe in your talents, your drive, and your spirit. Together, we will reach new heights, conquer new challenges, and create a future that we can all be proud of. Thank you for your hard work, your dedication, and your unwavering spirit. Let's continue to move forward with determination and positivity. The future is ours to create.

Editor's Desk: "Niramaya - 2025"

Dear Readers,

With the blessings of Lord Swaminarayan and Puja Kapilswamiji It is with great pleasure and pride that we present to you the latest edition of "Niramaya," the annual magazine of Smt. BNB Swaminarayan Pharmacy College, Salvav Vapi. Under the visionary guidance of our esteemed Director, Dr. Shailesh Luhar, and the dynamic leadership of Principal Dr. Sachin Narkhede, this year's magazine encapsulates a year of remarkable achievements and milestones.

Within the pages of "Niramaya - 2025," you will discover a vibrant representation of our institution's dedication to excellence in both co-curricular and extra-curricular activities. These pursuits not only enhance the academic experience but also foster holistic development among our students.

The magazine stands as a testament to the commitment and effort of our students, bolstered by the invaluable contributions of Co-Editors ***Sujal Pariyakar & Dhruti Karbhari***. Their work has elegantly captured the essence of our community, highlighting a diverse range of achievements, events, and initiatives that have defined the academic year. From academic successes to cultural festivities, from sports accomplishments to community outreach efforts, "Niramaya - 2025" honors the diversity and spirit of our college. It acts as a record of our shared journey towards academic excellence and personal development. As we peruse the pages of this magazine, let us not only reflect on the past year but also anticipate the future with hope and resolve. May "Niramaya - 2025" inspire and encourage each of us to persist in our pursuit of excellence in all our endeavors.

We express our sincere gratitude to all staff members who contributed to the creation of this magazine, including the editorial team. Your dedication and creativity have truly brought "Niramaya - 2025" to fruition. We hope you find as much enjoyment in reading this edition as we have found in producing it.

Warm regards,

Ms. Vidhi N Patel

WORLD ENVIRONMENT DAY

Smt. B.N.B Swaminarayan Pharmacy College, Salvav-Vapi, celebrated World Environment Day on June 5, 2024. This year's event was organized under the guidance of the Internal Quality Assurance Cell (IQAC) and focused on the global theme: "Land Restoration, Desertification and Drought Resilience."

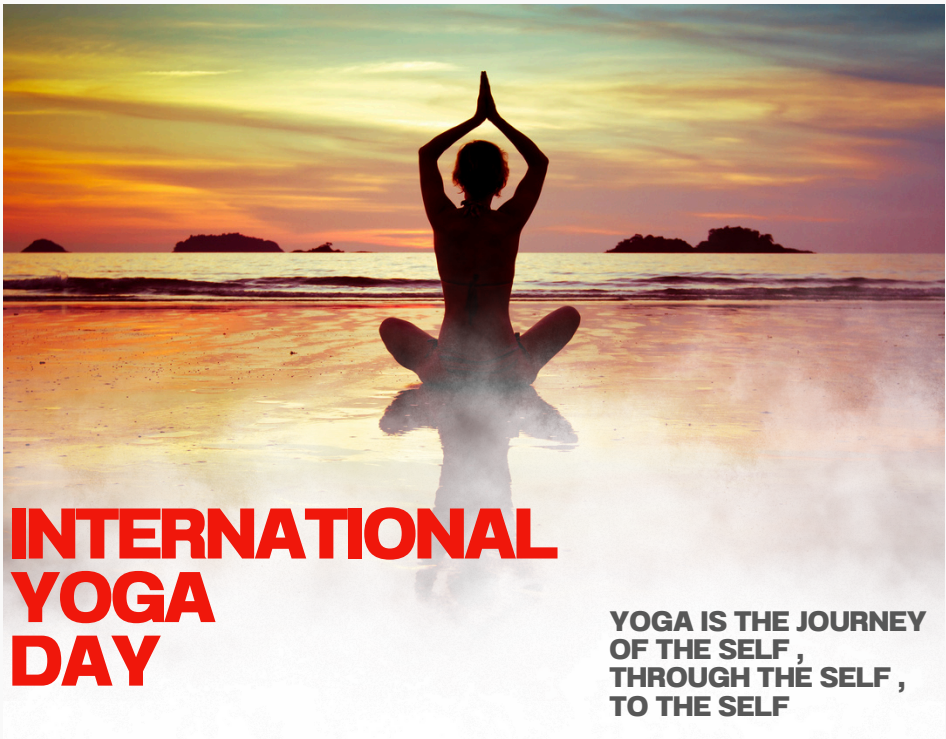

The primary objective of the celebration was to raise awareness about the pressing issues of land degradation and environmental sustainability, while actively engaging students and staff in ecological preservation through a Tree Plantation Drive.

Faculty members, staff, and students enthusiastically participated in planting trees. The plantation drive emphasized the importance of reforestation, biodiversity enhancement, and climate change mitigation. Participants were encouraged to take responsibility for nurturing the planted trees to ensure long-term environmental benefits.

The Tree Plantation Drive was a resounding success and marked a meaningful step toward promoting green practices within the institution. The activity not only reinforced environmental values among the participants but also contributed to the beautification and ecological enrichment of the campus.

The celebration of World Environment Day at Smt. B.N.B Swaminarayan Pharmacy College served as a strong reminder of our collective duty to protect the environment. The college remains committed to sustainable practices and continues to inspire students to "Make the Planet Green Again."

At Smt. B.N.B Swaminarayan Pharmacy College International yoga day was celebrated by organizing yoga session. International Yoga Day, observed annually on June 21st, is a worldwide event celebrating the ancient practice of yoga. Established by the United Nations General Assembly in 2014, this day aims to raise awareness about the myriad benefits of yoga and promote its practice globally. Yoga, with its origins in India over 5,000 years ago, has evolved into a global phenomenon, appreciated for its holistic approach to physical, mental, and spiritual well-being.

The inception of International Yoga Day can be traced back to a proposal made by Indian Prime Minister Narendra Modi during his address to the United Nations General Assembly on September 27, 2014. He highlighted yoga's potential in promoting global health and harmony, suggesting June 21st for its observance as it is the longest day of the year in the Northern Hemisphere, symbolizing the light and energy yoga brings to our lives. On December 11, 2014, the UN General Assembly adopted the resolution with the support of 177-member states, marking the official establishment of International Yoga Day.

International yoga day was celebrated by organizing yoga session with coordination of Yoga Wellness Instructor of Gujarat State Yoga Board Mrs. Bhavnaben Rashminbhai Rana and Dr. Sachin B. Narkhede (yoga trainer) as well as physical instructors Mr. Priyank Patel and Mr. Viraj Nikam. In which the students presented various asanas like Padmasana, Vajrasana, Mayurasana, Bhadrasana and Tadasana. Also, detailed information about these asanas and their benefits were given by Mrs. Bhavnaben Rashminbhai Rana.

WORLD HEPATITIS DAY

"World Hepatitis Day" is celebrated on 28th July every year. In this regard, for public awareness, SMT B.N.B Swminarayan Pharmacy College, an oral presentation competition on the topic "Hepatitis Free Future" was organized under the aegis of IQAC. The entire competition was guided by Campus Academic Director Dr. Shailesh V. Luhar and College Principal Dr. Sachin B. Narkhede and the competition was organised by Assistant Professor Ms. Priyanka Maisuria. In which the students of the college participated with great interest.

Principal Dr. Sachin B Narkhede made the students aware regarding this day that Nobel Prize winning scientist Dr. World Hepatitis Day commemorates the birthday of Baruch Blumberg, who discovered the hepatitis B virus (HBV) and developed a diagnostic test and vaccine for the virus. For the welfare purpose of the society and to spread awareness among the people, and said that the liver is an important organ of the body which works to make the elements in the body harmless.

In addition, heavy alcohol use, poisoning, drug overdose and certain medical conditions can cause hepatitis. In today's daily life, the attraction towards excessive caffeine and junk food increases the amount of fatty liver in the body, which is very harmful for health, which is very important for students to be aware of.

In this oral presentation competition, students presented on the topic of hepatitis free future the competition was held in two languages namely Hindi and English. This competition was evaluated by Professor Dr. Anuradha Parikshit Prajapati and Associate Professor Mrs. Shetal Desai.

In this competition from Semester VII Risha Prabhakar Pandey stood first, Mihir Santosh Mishra stood second and Lokesh Vinod Patil stood third. Each of these winners was felicitated with a certificate. Finally the competition was concluded by vote of thanks by Assistant Professor Ms. Priyanka Maisuria.

For which the founder of Shri Swaminarayan Institute Param Puja Purani Swami Kesavacharandasji, Managing Trustee Param Puja Purani Swami Kapiljivandasji, Pujya Ram Swamiji, Pujya Hari Swamiji Trustee of the organization Shri. 4TH ANNIVERSARY OF NATIONAL EDUCATION POLICY (NEP) 2020

Dr. Anuradha Prajapati further enriched the session by discussing the practical application of NEP 2020 in higher education and specifically in pharmacy education. She detailed how the policy encourages a multidisciplinary approach, integrates traditional Indian knowledge systems, and leverages digital learning tools to enhance the educational experience. Dr. Prajapati's insights provided a comprehensive understanding of how NEP 2020 is being implemented to foster innovation and research in the field of pharmacy.

The event concluded with an engaging Q&A session, where students and faculty members had the opportunity to interact with the speakers, gaining deeper insights into the policy's impact and implementation.

The expert talk was a resounding success, reflecting Smt. B.N.B. Swaminarayan Pharmacy College's commitment to aligning with the objectives of NEP 2020 and providing a modern, inclusive, and forward-thinking educational environment.

Salvav, Vapi, 29th July 2024: Smt. B.N.B. Swaminarayan Pharmacy College proudly hosted an expert talk today to mark the 4th anniversary of the National Education Policy (NEP) 2020. The event was organized by the Institution's Innovation Council (IIC) under the aegis of the IQAC, with Dr. Sachin Narkhede serving as the event coordinator. Esteemed speakers, Dr. Sachin Narkhede, Principal of Smt. B.N.B. Swaminarayan Pharmacy College, and Dr. Anuradha Prajapati, Professor at the college, led the insightful discussions.

The session commenced with Dr. Sachin Narkhede highlighting the transformative vision of NEP 2020. He emphasized the policy's focus on making education more inclusive, flexible, and globally competitive. Dr. Narkhede elaborated on the introduction of the credit marks system and the Academic Bank of Credits (ABC), which are designed to provide students with greater flexibility and the opportunity for lifelong learning.

BNB Swaminarayan Pharmacy College, in a commendable effort, organized a significant extension activity dubbed the 'Megadonation Drive' with Shri Swaminarayan Jnanpeeth Salvawaya (USA) did not miss the opportunity to celebrate him on this auspicious day today.

As part of the celebration of this day, clothes and necessities of life were distributed in the villages of Ukata, Kelavani, Chidambar etc. in the interior of Dharampur district and in the ashram school, small children were given ball pens, biscuits, chocolates. Today we and our organization feel very blessed to have done this work. In this program P. Pujya Vignyan Swami, Ram Swami, Hari Swa

This drive, aimed at supporting the local tribal community, saw enthusiastic participation from both faculty and students of the college. They came together to collect and donate a wide array of items crucial for daily life and comfort, including clothes, toys, bags, and essential winter wear, among other valuable articles.

The Megadonation Drive was not just about providing material assistance but also about fostering a sense of solidarity and care towards the tribal communities. It was a day filled with joy, gratitude, and mutual respect, as the inhabitants of Piprol received the contributions that would undoubtedly make a significant difference in their lives.

This initiative underscores the importance of community service and empathy in education, demonstrating how academic institutions can play a vital role in societal upliftment and support for underprivileged communities. The Megadonation Drive by Smt. BNB Swaminarayan Pharmacy College sets a commendable example of how educational institutions can extend their social responsibility beyond the classroom and positively impact the broader community.

ANTI RAGGING AWARENESS MAHOTSAV

In recognition of the National Anti-Ragging Day, the NSS and Anti-Ragging Committee of Smt. B.N.B. Swaminarayan Pharmacy College, Salvav - Vapi, organized a Digital Poster Making Competition as part of the Anti-Ragging Awareness Mahotsav. This event was conducted under the aegis of the Internal Quality Assurance Cell (IQAC) of the college. The event coordinator was Dr. Kantilla B. Narkhede, the member of Anti-Ragging Committee.

The primary objective of the competition was to create awareness and foster a sense of unity against the harmful practice of ragging. Students were encouraged to express their creativity through digital posters that carried the strong message of "Say No to Ragging."

The competition witnessed enthusiastic participation from the students, reflecting their commitment to the cause. After careful evaluation, the winners were announced as follows: First Rank: Dashrath Prajapati and Ashish Prajapati; Second Rank: Khushi Saini and Anjali Ahir; Third Rank: Vruti Bhandari and Anjali Rawat

The event was an integral part of the larger initiative to observe National Anti-Ragging Week, reinforcing the message of zero tolerance towards ragging in educational institutions. The college administration, in collaboration with the Ministry of Education, Government of India, and the University Grants Commission (UGC), ensured that the event was conducted smoothly and that the students' voices against ragging were heard loud and clear.

The event also resonated with the national campaign "Azadi ka Amrit Mahotsav," celebrating 75 years of India's independence, emphasizing the importance of a safe and respectful environment in educational spaces.

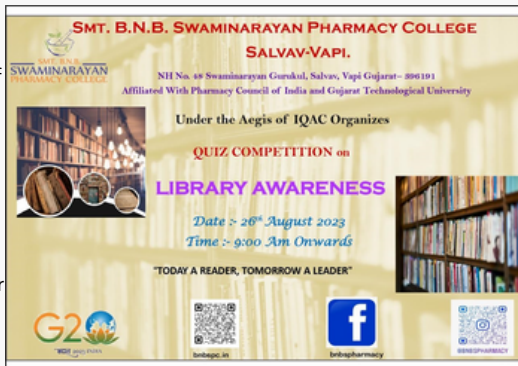

The success of this competition not only highlighted the students' creative abilities but also their resolve to unite against ragging, making the campus a safer place for everyone.

"CPR Essentials: Life-Saving Techniques and Health Management" Seminar and Training

On October 1, 2024, Smt. Bhavnaben Nanubhai Bambhroliya Swaminarayan Pharmacy College, Salvav, successfully organized an impactful seminar and training session titled "CPR Essentials: Life-Saving Techniques and Health Management." The primary objective of the event was to provide students and faculty members with hands-on training in essential life-saving techniques, particularly Cardiopulmonary Resuscitation (CPR), to ensure they are well-prepared to handle emergency medical situations.

The seminar, led by Dr. Kavita Agarwal, a plastic surgeon from Millennium Clinic, Vapi, provided clear guidance on CPR and personal health management. She stressed the importance of quick, responsible action during cardiac emergencies, noting that while 90% of people suffer from cardiac arrest, only 46% get timely help. Dr. Agarwal encouraged attendees to learn these life-saving skills to better support their families and communities.

Through practical demonstrations and clear, simple explanations, Dr. Agarwal ensured that both students and faculty members were equipped with vital knowledge for responding to emergencies. This event was perfectly aligned with the college's commitment to providing high-quality education and practical skills that empower students to contribute effectively to the healthcare sector.

The key takeaway from the seminar was the importance of not only mastering CPR but also being prepared to assist in life-threatening situations. The college is committed to equipping future healthcare professionals with the skills and confidence to save lives and positively impact society.

Activity was done under the leadership of Associate Professor Mrs. Shetal Desai and Store In charge Mrs. Jyoti Pandya.

WORLD AIDS DAY

**“AWARENESS IS
THE FIRST STEP.
COMPASSION IS
THE CURE. LET’S
FIGHT STIGMA,
NOT PEOPLE.”**

World AIDS Day, observed annually on December 1st, serves as a global reminder of the ongoing fight against HIV/AIDS. Since its inception in 1988, this day has aimed to raise awareness, show solidarity with those affected, and remember those who have lost their lives to the disease. The theme for World AIDS Day 2024 highlights the importance of education, prevention, and equal access to treatment, reinforcing the global commitment to ending the epidemic. Despite medical advancements that have significantly improved the quality of life for HIV-positive individuals, stigma and misinformation continue to be major barriers to progress.

This day is not only about spreading awareness but also about encouraging action. Governments, healthcare organizations, and communities come together to promote testing, early detection, and effective treatment. Public campaigns focus on eliminating discrimination and ensuring that those living with HIV/AIDS receive the support they deserve. Educational programs play a crucial role in preventing new infections by providing accurate information on transmission and protection methods.

In honor of this important cause, our college organized a special event to spread awareness and encourage community participation. The event featured informative sessions, interactive discussions, and awareness campaigns aimed at educating students about HIV/AIDS and the importance of compassion and support for those affected.

World AIDS Day 2024 was commemorated at Smt. B.N.B Swaminarayan Pharmacy College Under the Aegis of IQAC with great enthusiasm and dedication under the global theme, "Take the Rights Path: My Health, My Right!" This year's theme aimed to spotlight the importance of human rights and their role in ensuring equitable access to health care for all, especially those living with or affected by HIV/AIDS. The event brought together students, faculty members, and healthcare professionals to raise awareness, promote preventive measures, and foster a compassionate and inclusive environment. This session was coordinate by Assistant Professor Ms. Priyanka Maisuria.

On February 11, 2025, Smt. B.N.B. Swaminarayan Pharmacy College, Salvav - Vapi, in association with the Institution's Innovation Council and the Women Development Cell, organized a Debate Competition to mark the International Day of Women and Girls in Science. The event, held under the aegis of IQAC, provided a platform for students to discuss the challenges and opportunities for women in STEM careers.

The debate centered around the theme "Breaking Barriers in STEM: Problem-Solution Fit for Women's Success," where students critically examined issues such as reserved seats for women, job opportunities, family expectations, cultural influences, and maternity leave. Some participants argued in favor of policies supporting women in STEM, while others debated whether such measures hinder meritocracy and reinforce stereotypes.

The session was conducted under the guidance of Campus Academic Director Dr. Shailesh Luhar, Campus Admin Director and Member Secretary of the Women Development Cell Mr. Hiten Upadhyay, and Principal & Chairperson of the Women Development Cell, Dr. Sachin Narkhede. The event, coordinated by Assistant Professor Ms. Mansi Barot, was specifically designed for B. Pharm students.

At the conclusion of the debate, winners were declared and commended for their compelling arguments. Kashish Patel (8 Sem) and Sneha Patra (8 Sem) secured the First position, followed by Dhyanee Desai (8 Sem), Aadil Shaikh (8 Sem), and Jigeesha Bhattacharya (4 Sem) in Second place, while Riddhi Padhiyar (6 Sem) claimed the Third position.

The debate competition encouraged students to think critically about women's roles in STEM which reinforced the importance of vigilance and proactive efforts in ensuring a supportive environment for women.

The success of this program reflects the institution's dedication to creating a progressive and inclusive academic culture, where students are encouraged to engage in meaningful discussions and contribute toward a more equitable society.

The discussion began with an insightful address by Principal Dr. Sachin Narkhede who addressed the audience, stressing the importance of encouraging women in science and fostering an environment where they can thrive. He acknowledged the efforts of the Women Development Cell in supporting female students and ensuring their overall development.

The competition was judged by Professor Dr. Dulendra Damahe and Assistant Professor Shivangini Desai, who evaluated participants on their clarity of thought, presentation skills, speaking abilities, and counterarguments. Their insights helped students refine their perspectives and develop a nuanced understanding of gender inclusivity in STEM.

NCIP 2025 – First Announcement

On February 18, 2025, Nirma University, Institute of Pharmacy organised a National Level Conference to address global health challenges on the topic, 'Harnessing Artificial Intelligence/ Machine Learning in Pharmaceutical Innovations to address Global Health Challenges'. The event aimed to inspire students to present innovative ideas to face the issues of global health problems with the aid of AI/ML in pharmaceutical sciences.

NCIP, 2025 provided a platform for students of bachelors, masters as well as PhD levels to present their ideas and innovations (both review and research) in the form of posters or oral presentations.

Event Coordinator was Assistant Professor Mrs. Lavanya Nair. The students were accompanied with the mentor herself.

The conference was a resounding success, fostering enthusiasm and innovation among the students. The event not only focused on finding new ideas and engaging with young minds but it also helped the students learn from the experts and experienced professionals in the field of pharmacy. Workshops, panel discussions and poster sessions helped students engage, collaborate and share their findings on AI-enabled innovations.

NCIP gave a platform to some of the India's best lecturers from both academic as well as industry background who provided insights into cutting-edge research and practical applications of AI in pharma.

NATIONAL-LEVEL ONE-DAY SEMINAR BY GSBTM

Smt. Bhavanaben Nanubhai Bambharoliya Swaminarayan Pharmacy College, managed by Shri Swaminarayan Shikshan Seva Kendra, Salav, organized a national-level one-day seminar on February 28, 2025 (Friday), along with a poster presentation competition. The seminar was supported by the Department of Science and Technology (DST), Gujarat State Biotechnology Mission (GSBTM), and the college itself.

The theme of the seminar was "Recent Trends and Challenges in the Bio-Pharmaceutical Industry", while the poster presentation competition focused on "Biotechnology: Transforming Medicines and Healthcare." The seminar featured distinguished speakers, including Dr. Dhiren P. Shah, Principal of C.K. Pithawala Institute of Pharmaceutical Science and Research, Surat; Dr. Ritesh P. Bhole, Professor at Dr. D.Y. Patil School of Pharmacy and Research (Dr. D.Y. Patil Nyan Prasad University), Pune; Dr. Ashok H. Akbari, Professor at Shri Naranjibhai Lallubhai Patel College of Pharmacy, Umarakh; and Mrs. Tejal Pandey, Head of the CQE Department at Rossari Biotech Ltd., Silvassa.

The judges for the poster presentation competition included Assistant Professor Lalit Chaudhary and Pooja R. Mistry from Umarakh College, as well as Assistant Professors Jhalak H. Desai and Kajal K. Patel from Tathya Pharmacy College. The event was inaugurated with a traditional lamp-lighting ceremony by the esteemed patron, Param Pujya Puraniji Swami Kapiljivandasji, who emphasized the significance of such seminars and appreciated the teamwork behind the successful organization of the national seminar.

In which he said to raise awareness about Pradhan Mantri Bharatiya Jan Aushadhi project and promote generic medicines. He further emphasized that many people cannot complete their course of medication for any illness or disease. Government of India is making a lot of efforts to spread generic medicines so that the cost of medicines does not become a hindrance to the treatment of any person and as far as possible the necessary medicines are available to everyone.

Along with this, many Jan Aushadhi centers are also functioning. Where to buy generic drugs, but the worrying thing is that despite all the efforts, even today a large number of people do not have much knowledge about generic medicines and Jan Aushadhi Kendras.

At the same time, there is a lot of confusion among the public regarding their quality. Issues such as the objective of raising awareness about such generic drugs were presented to the students.

To make this seminar a success, Professor Dr. Kantilal B. Narkhede and Assistant Professor Harsh Lad had technical support.

INTERNATIONAL DAY OF HAPPINESS

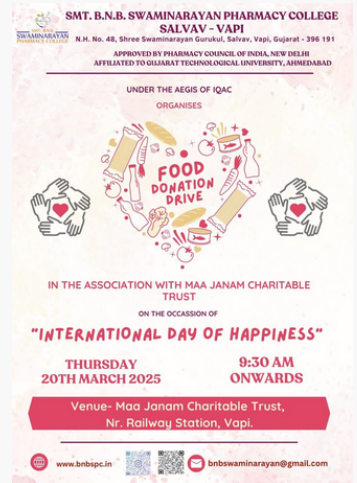

On the occasion of International Day of Happiness (20th March 2025), the students of Smt. Bhavanaben Nanubhai Bambharoliya Swaminarayan Pharmacy College, Salvav – Vapi, in collaboration with Maa Janam Charitable Trust, Vapi, organized a noble initiative to distribute food packets to the needy. The event served as a powerful expression of compassion and social responsibility, with students actively engaging in philanthropic efforts beyond the classroom.

This initiative was carried out under the guidance and support of the Managing Trustee, Param Puja Purani Swami Kapiljivandasji, along with the Campus Director Mr. Hiten B. Upadhyay, Academic Director, Dr. Shailesh V. Luhar, Principal, Dr. Sachin B. Narkhede, and members of Maa Janam Charitable Trust including Shri Arunbhai Bhandari, Mrs. Rekhaben Bhandari, and Shri Mukeshbhai Jaiswal.

FOOD DONATION DRIVE

Maa Janam Charitable Trust is a Vapi-based non-governmental organization committed to providing nutritious and delicious food to the underprivileged free of cost. With the inspiration and unwavering support of Param Puja Purani Swami Kapiljivandasji, the trust is engaged in selfless service, embodying the principle of “Seva Parmo Dharma” and spreading the essence of humanity. In his message, Swamiji emphasized the importance of student involvement in social service, encouraging them to be active participants in building a better society along with their academic pursuits.

The entire food distribution program was efficiently managed by Assistant Professor Khushbu Harishbhai Patel and Physical Instructors Viraj Nikam, with enthusiastic participation from B.Pharm students. Their dedication and coordination ensured the smooth execution of the event. The program also received the blessings and support of several dignitaries including Param Puja Purani Swami Keshavcharandasji, Puja Ram Swamiji, Puja Hari Swamiji, Puja Madhav Swamiji, Trustee Shri Babubhai Sodwadiya and other respected trustees. Campus Director Mr. Hiten B. Upadhyay, Campus Academic Director Dr. Shailesh V. Luhar, Principal Dr. Sachin B. Narkhede, faculty, and staff members all expressed their heartfelt appreciation to everyone who contributed to this meaningful event. The successful execution of this program stands as a testament to the spirit of service and compassion that the institution and its students uphold.

JUBILANT DAY

On April 19th, 2025, a vibrant and memorable Jubilant Day celebration took place at Smt B.N.B Swaminarayan Pharmacy College, Salvav Vapi for the final year B.Pharm and M.Pharm students. The event, themed "S3- स्नेह सम्मान समारोह", aimed to recognize and honor the achievements and contributions of the graduating students.

The day commenced with great enthusiasm as students, faculty, and staff gathered to mark this special occasion. The theme emphasized the values of love, respect, and celebration, reflecting the spirit of camaraderie and achievement within the academic community.

A highlight of the event was the "माता पिता पूजन" (Matru-Pitru Pujan) ceremony, where students expressed gratitude and reverence towards their parents for their unwavering support and encouragement throughout their academic journey. This heartfelt tribute underscored the importance of family bonds and parental guidance in shaping the students' successes.

In recognition of their academic excellence and outstanding contributions to cultural activities, students were honored with awards and accolades. The awards ceremony was a moment of pride and joy as students were applauded for their hard work, dedication, and talent.

Throughout the day, various cultural performances, including music, dance, and drama, showcased the diverse talents of the students and added to the festive atmosphere. These performances not only entertained the audience but also celebrated the rich cultural heritage of the institution.

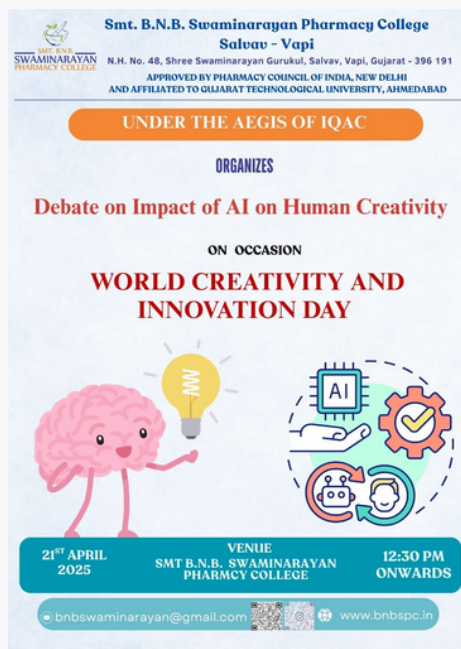

The Jubilant Day celebration served as a fitting tribute to the graduating students, commemorating their achievements and marking the culmination of their academic journey. It was a day filled with laughter, joy, and nostalgia as students and faculty came together to celebrate their accomplishments and bid farewell to the graduating class of B. Pharm and M. Pharm Final Year students.

As the event ended, the spirit of jubilation and camaraderie lingered, leaving behind cherished memories that will be treasured for years to come.

Overall, the Jubilant Day celebration was a resounding success, reflecting the spirit of unity, achievement, and celebration that defines the Smt B.N.B Swaminarayan Pharmacy College, Salvav, Vapi community.

WORLD CREATIVITY AND INNOVATION DAY

On April 21, 2025, Smt. Bhavnaben Nanubhai Bambhroliya Swaminarayan Pharmacy College, Salvav, successfully organized debate on Impact of on Human Creativity on occasion of World Creativity and Innovation Day. The debate on the impact of Artificial Intelligence (AI) on human creativity has sparked intense discussions among Students. While some argue that AI enhances human creativity, others claim that it diminishes the value of human creative endeavors.

This report summarizes the key points from a recent debate on this topic. The debate highlights the complex and multifaceted nature of the relationship between AI and human creativity. While AI has the potential to augment and enhance human creativity, it also raises important questions about the role of human intuition, emotion, and originality in creative endeavors.

Ultimately, the impact of AI on human creativity will depend on how we choose to harness its potential and balance its benefits with the unique value of human creative expression.

Smt. B.N.B. Swaminarayan Pharmacy College, under the aegis of IQAC and IIC, organized a Lecture Series on 25th and 26th April 2025 to celebrate World IPR Day 2025. The event featured insightful sessions on critical IPR topics. On Day 1, the HR team from Skant Pharmaceuticals discussed the importance of fostering an IP-conscious workforce, focusing on how HR can play a key role in driving innovation, culture, and policy in pharmaceutical startups. On Day 2, the first session was delivered by Dr. Kantilal B. Narkhede, who emphasized the significance of protecting intellectual property early in the startup process and highlighted how early IP strategies can prevent legal and financial challenges. The second session on Day 2 was presented by Ms. Shivangini R. Desai, offering a detailed recap of India's IP Week celebrations organized by the Ministry of Education's IIC from 21st to 26th April 2025, underscoring the growing importance of intellectual property in India's innovation landscape. These sessions were crucial for raising awareness about the role of IP in innovation, entrepreneurship, and national development, stressing the need for early protection and strategic management of intellectual assets. Additionally, on Day 2, second-year B.Pharm students participated in a national-level quiz on IPR in honour of World IPR Day 2025.
